

## Winter Schools on Russian language “Russian Fresh” and “Russian Fresh-PLUS”

Dear Sir or Madam,

Ural Federal University kindly requires your assistance with sharing the information about the Final Call for applications for the Winter Schools on Russian language “Russian Fresh” and “Russian Fresh-PLUS” (<http://russtudies.com/en>).

We would be extremely pleased to welcome you, your colleagues, your students and any interested in Russian language in Russia this Winter! And we will be happy to provide the last-minute applicants with all necessary assistance and information.

The Winter School “Russian Fresh”, a 12 days Russian language crash course accompanied with a cultural program and a grandiose celebration of the New Year Russian-style! It is a perfect refreshment before an upcoming exam session and an opportunity to pass Christmas holidays in a diverse group of people of different age and origin in an unforgettable Russia!

What do students get?

- 40 hours of Russian as a foreign language in 12 days;
- engaging excursion program including visit of the main touristic highlights of the Urals;
- cultural Program with the workshops on traditional toys, sing and dance;
- Russian-style fests and entertainments: a Russian New Year in a country house, traditional activities such as banya, divination, and horse riding!

“Russian Fresh-PLUS” Program is an extended variant of the Winter School including, besides all the activities named above, visit to Moscow, the capital and the center of the European part of Russia.

## Testimonials

**Alice**  
Italy

I loved the mixture of Russian language courses and touristic experience, and the possibility to see Russian winter, which is so charming you can't possibly imagine at all! I improved my language level and my teacher helped me realize what I'm good at and what I need to work on.

**Matheus**  
Brazil

It is wonderful Winter School! Thanks for taking care of me and explaining everything so patiently during the application process and when in Russia. Can't wait for the next year!

**Patrick**  
Switzerland

It was my 3rd time as a student of this School, and, as always, lessons, trips, organizational moments, fun and leisure time – all was perfectly arranged for us! Will be coming back in Summer!

**Tom**  
China

Language teachers are very enthusiastic and use really effective teaching strategies! The atmosphere in the classroom was always very positive and creative with a lot of interesting content, group conversations and recognizing word contests.
